**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want there to be more competition available when it comes to my provider. Ive been in areas where there is only one service provider available and its awful. As a consumer I dont get competitive pricing, I dont get the service I expect and when there are outages it impacts the whole area. Dont let this happen here. Lets keep the competition and let the consumers decide.
